Sharples School Shining Sports Star

Grace Taylor, of Year 9, is this week's 'Sharples School Shining Sports Star'. Grace is the school's strongest swimmer and currently trains on average 20 hours a week, including before school! Grace was due to compete at the regional swimming competitions this year, however, due to Covid-19 she was unable to take part. She is hopeful that competitive swimming will commence again in 2021, where her goal is to aim for National times in the 100m and 200m butterfly. Butterfly, closely followed by freestyle, is Grace's best stroke and is hoping to follow in the footsteps of her favourite swimmer, Rebecca Adlington and one day compete at the Olympic Games. Watch out Paris 2024! Keep up the great work Grace!

We have a new league leader!

It is all change at the top of the Fantasy Football league this week, previous league leader Harvey Kenny (9S1) slipped down to second place after Josh Marsh (8S) leapfrogged Harvey into first place. Despite the change at the top, there are currently only 8 points that separate the top three positions.

Manager of the Week award goes to Ali Ahmad (11R) who scored a monumental 91 points this weekend to catapult him into third place with an overall total of 310 points. Mr Burrow & Mr Baldwin are locked in joint 10th place with a total of 289 points whilst Mr Charlton is narrowly behind with 272 points.

There was mixed news for Southampton this weekend after they defeated Aston Villa in a thrilling 4-3 game, despite this result, they look set to have lost star striker Danny Ings to a knee injury which requires surgery. Ings looks set to miss the next 4 to 6 weeks, so any managers should consider replacing him. Mr Charlton has done just that, replacing him with Newcastle's Callum Wilson who cost £2m less than Ings, with Wilson having scored more points than Ings this season.

The two interesting games this weekend are Everton vs Manchester United and Manchester City vs Liverpool, so I would encourage you to keep an eye out for this!

On a final note, be sure to check out our new Fantasy Football notice board down in PE during your PE lessons.

Enjoy this weekend!
