**BOLTON METROPOLITAN BOROUGH COUNCIL**  
**ADMISSION POLICY FOR COMMUNITY SECONDARY SCHOOLS 2017/2018**

The Council will admit all children with a statement of special educational needs, in whose statement the school is named

The policy for admission to community and controlled secondary schools for 2017/2018 is as follows.

All parents will be provided with an application form on which they will be asked to express 3 preferences in order of priority for a primary school. Places will be allocated up the published admission number for each school.

If the school is over-subscribed the following criteria will be applied to all applications in priority order.

1. Children in Public Care (Looked After Children) who are the subject of a full care order including adopted children who were previously in care and children who leave care under a special guardianship or residence order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in Section 22(1) of the Children Act 1989).
2. Other children who are considered as “vulnerable” whose application for the preferred school is supported by the Assistant Director for Social Care. This will include;
  - a. Children for whom there is a child protection plan or has been within a 12 month period.
  - b. Children who have had a period in care within 2 years of the admission application and are still receiving social care services
  - c. Children who are considered to be at significant risk of becoming looked after
  - d. Children who are living in temporary accommodation due to fleeing violence and the area for rehousing has been identified
3. Children who will have older siblings in years 7 to 11 of the preferred school at the time of application and the date of admission. Siblings can include full, step, half, foster and adopted brothers and sisters living at the same address.
4. Children who suffer from some medical condition or disability, which makes it, better for them to attend that school rather than another. Places will only be offered under this criterion if the child has a certified medical condition with strong professional supporting evidence confirming that existing exceptional problems with the child's health would be seriously exacerbated if a place were not made at the preferred school. Medical evidence MUST be provided at the time of application. Parents applying under this criteria must provide a letter from the child's GP/Consultant setting out the reasons why the school is the most suitable school and details of the child's medical condition. Medical evidence must be submitted by 31st October 2015. Evidence received after this date will not be taken into consideration
5. Proximity (Where you live).  
Shortest walking distance to the preferred school minus shortest walking distance to the nearest/next nearest school plus 100 to create a ranking value. The lower the ranking value the higher the priority for a place.  
The nearest/next nearest school will include all community, voluntary-controlled, foundation, free and academy schools whether in the Bolton Borough or not.

- If any categories are oversubscribed then geographical proximity (as set out in category 6 above) will be used as a tie breaker. If the proximity value is equal then random allocation will be used as a tie-breaker.
- The shortest walking route will be that determined by the Local Authority using only those public rights of way recognised within the measuring system. This will be measured using Routefinder, a computerised mapping system which uses the ordnance survey integrated network which measures from the point on the highway nearest to the centre of the home property and the designated main entrance to the school. In the event of a tie-break within a block of flats those living furthest from the communal entrance will be given priority.
- Where a single place remains at a school and the application being considered is for twins (etc.) the Council will allocate above the admission number to accommodate each child.

## LATE APPLICATIONS

### 1. LATE APPLICATIONS RECEIVED AFTER THE CLOSING DATE BUT BEFORE PLACES ARE ALLOCATED

The closing date will as far as possible be strictly observed. Late applications will only be considered after all the applications received by the closing date have been considered. Places will however be allocated and parents / carers will receive notification on 1st March 2018.

Only in exceptional circumstances where evidence is available will late applications be considered on time. These may include the following:

- parents removed into the borough after the closing date
- parents / carers were abroad for the whole period between the publication of the LA's admission booklet and the closing date for the application form
- parental / carer / child illness which required hospitalisation for the major part of the period between the publication of the LA's admission booklet and the closing date for the application form

(b) All applications received after 29th January 2018 will be classed as late regardless of the circumstances

### 2. APPLICATIONS RECEIVED AFTER THE ALLOCATION DATE

The LA will continue to manage the co-ordinated admission arrangements after the allocation date i.e. 1st March 2018 until the end of the autumn term 2018.

The LA form and any relevant documents will be passed on to the appropriate admissions authority for consideration. The LA will retain responsibility for informing parents / carers about the outcome of their application. If admission is refused to the preferred Borough community voluntary-controlled or voluntary-aided RC school(s), an appeal form(s) will be sent with the letter, which will inform parents / carers of the alternative school to be offered. Where a place cannot be offered at the Borough foundation, aided school(s) or Academy, in addition to the details about the alternative school offered, the LA's letter will advise parents / carers of their right of appeal and provide details of the appeals process.

## WAITING LISTS & CHANGE OF PREFERENCES

### WAITING LIST

There is no obligation on admission authorities to maintain waiting lists. Individual admission authorities need to consider if they wish to maintain a waiting list. Where a waiting list is maintained, the admission authority must use the existing oversubscription criteria to rank the children.

The LA will maintain a waiting list for admission to the community & voluntary-controlled schools. Parents / carers of all unsuccessful applicants, including late applicants, will automatically be placed on the waiting list.

The waiting list will be compiled using the relevant published oversubscription criteria. As no distinction will be made between applications received on time and late applications, the waiting list will remain fluid.

A parent cannot add their name to the waiting list for a school that was not one of their original three preferences unless there is evidence of extenuating circumstances

The LA will maintain the waiting list until the end of the autumn term 2018.

## CHANGE OF PREFERENCES

A change of preference will only be acceptable in exceptional circumstances. This is likely to be when there is a change of address. Verification must be provided e.g. letter from solicitor exchanging contracts or a tenancy agreement. Such evidence must be with Pupil & Student Services by 29th January 2018. The LA cannot change any preferences for whatever reason after 29th January 2018 until after the offer date of 1st March 2018.
