A Tribute to the Firefighters

Sharples School, along with other schools in the area, were invited to develop artwork to go on display in Astley Bridge. The artwork is a tribute to the firefighters who have been working tirelessly to tackle the blaze on Winter Hill. Two Year 9 pupils created a unique piece of work using the pyrography technique to burn an image of firefighters onto the wood. The students

worked really well considering the short turnaround to get the work completed. They enjoyed using their time at lunch to ensure the work was completed for the exhibition. We are hoping, when the exhibition comes to an end, the work will be donated to the local fire station.

Visit to New Designers Exhibition London

On Friday 6th July, 26 of our Graphics and Engineering pupils visited the New Designers Exhibition (in London) to see the work being produced by university design graduates all over the country. Pupils had the opportunity to not only view the graduates' designs and portfolios, but discuss with them how their concepts originated and developed.

The showcase included works from a number of design disciplines including product, interior, multimedia, graphic design and engineering. The exhibition gave pupils the chance to see where design based subjects could lead them

after school life, as well as provide them with some unique ideas to inspire their own GCSE work.

Well done to all pupils who were excellent ambassadors for Sharples School throughout the entire visit.

Chinese Art Exhibition

Year 7 and Year 10 Art students have worked really hard this year to produce a stunning display of Chinese inspired observational drawings, print ideas and textiles work. The inspiration for the topic came from researching about the friendship agreement signed between Bolton and the city of Zhaoqing (in Guangdong Province in China) to improve education, culture and commerce. Students have been taken through a journey of uncovering research, develop design ideas and realising personal intentions for a final design outcome. Through their investigations, they have used Maths skills to accomplish grid method drawings. They have learnt about colour theory and how to work using different materials. The work has been showcased in Bolton Market place. The exhibition will last from Friday 29th June until Friday 13th July.

Junior Mathematical Challenge

This week pupils received their certificates from the most successful UKMT Junior Mathematical Challenge to date. Jake Wise and Tashana Dalhouse managed to achieve the Gold Award (which is only awarded to the top 6% competitors) and Tashana's score meant she was able to take part in the next round of the competition. Following on from their success were 8 pupils who picked up a Silver Award and a staggering 16 pupils for the Bronze Award. Out of over 260,000 pupils from across the UK, this was a fantastic achievement.

Well done to all the Year 7 and 8 pupils who took part. Preparations for UKMT's 2019 Junior and Intermediate will begin in the new year.

The Bolton Cup Cricket Final

The Sharples Year 10 cricket team travelled to the neutral venue of Darcy Lever Cricket Club to compete against St James' in the final of the Bolton Cup.

Sharples won the toss and opted to bat. Openers Mohammed Habib and Marcus Jackson showed no sign of nerves and quickly started to put runs on the board. However, the seventh over proved to be the turning point, when Mohammed Habib was stumped and Marcus Jackson ran himself out. The remainder of the team came in to bat but struggled to build any sort of momentum. Ameen Asmal and Zainul Kazi were joint top scorers with some impressive shots but a total of 59 runs was always going to be difficult to defend against a very talented St James' team.

Sharples refused to give up and looked sharp in the field. Marcus Jackson took a couple of early wickets and Zainul Kazi produced the catch of the match on the boundary. The bowling was decent but unfortunately the total set wasn't high enough and St James' surpassed the score with relative ease.

Overall, it was a fantastic journey and great achievement to get to the final. The seventh over proved to be a decisive turning point but the team should be proud to finish runners up.

Attendance

9th July - 13th July

Best Year Group

Year 7	96.1%
Year 8	92.6%
Year 9	90.1%
Year 10	94.4%

Best Forms:

7R	100%
8S	96.9%
9L	94.2%
10P	98.4%

168 children have achieved 100% for this week

Dates For Your Diary

Tuesday 17th July - Lower School Sports Day

Friday 20th July - Last day of Summer Term

Monday 3rd Sept - Staff Training Day (School closed to students)

Tuesday 4th Sept - Term begins for Year 7 students

Wednesday 5th Sept - Term begins for all students

Intensive Swimming Lessons

- One week of swimming lessons (5 x 30 minute sessions)
- Small classes
- Swimming Teacher is in the water

£25
per course

Courses available:

Monday 23rd - Friday 27th July

Monday 6th - Friday 10th August

Monday 13th - Friday 17th August

Monday 20th - Friday 24th August

For more details and to book please contact Joanne Garth
