Attendance Reward Initiative

The new initiative, which began in January, sees all students that gain 100% attendance in a week put in to a prize draw. In the assemblies the following week, three students from each year will be awarded a prize of their choosing. Prizes include, for Year 7: Free Swim pass, Snack Voucher or Chocolate Bar and for Years 8, 9 and 10: Early Lunch pass or Snack Voucher with Years 9 and 10 also having the choice of a 1 week Gym pass. In Year 11, just one winner will be chosen, who will have the choice between a £5 'Love 2 Shop' voucher or a 1 week Gym pass.

Form Prizes

There is also a chance for the best attending forms to win a collective prize every half term. Year 7 and 8 form winners will be rewarded by choosing a film to watch, Year 9 and 10 form winners will receive donuts and hot chocolate and Year 11 will win snack packs to take to ALS.

Reward Trips

All Students who achieve 100% attendance in a term will be invited on a rewards trip at the end of that term. Years 7 and 8 will be going on a trip to the cinema to watch a latest film and Years 9 and 10 will be invited to a Trafford Centre shopping trip.

The ultimate goal, for every student in Years 7-11 is to achieve at least 97% attendance and therefore will be invited to the end of year rewards trip which will be a trip to Blackpool Pleasure Beach or Alton Towers and for Year 11 access to alternative trips and the prom.

Rotary Youth Leadership Award

This week, two Year 11 students visited the Turton Rotary Club to give thanks for their sponsorship of the Rotary Youth Leadership Award. In July, Destiny and Saaemah travelled to Pettypool (in Cheshire) to spend 6 days developing skills including planning, teamwork and organisation as they worked with young people from across the north west to build a mini adventure playground.

The girls gave a short presentation to the members of the club and presented the President with an honorary Learn Dream Achieve badge on behalf on Sharples School. Thanks again to Turton Rotary for sponsoring this opportunity for our students

Autotrader Boss advises Year 10 students

Last week, the CEO of Autotrader visited Sharples to speak to Year 10 on his life experiences and to advise them on the coming years. His tips for success included getting out to see the wide world, joining clubs and activities as employers want to see more than good exam results.

Good advice indeed!

Macmillan Charity Bake Sale

On Tuesday we held a bake sale in aid of Macmillan Cancer Charity.

The baking was led by Year 7 student Lewis Makin who had the idea to sell cakes in memory of family members.

The cake sale raised a fantastic £300. Well done and thanks everyone who took part.

Primary School Super Science

This week we welcomed visitors from The Oaks and St Paul's to do some science with us!

Year 2s, from The Oaks, enjoyed a session on Materials Science where they made slime and toasted marshmallows on the Bunsen burner!

Year 4s, from St Paul's, learned all about sound. They made their own musical instruments and investigated the sounds made by different elastic bands!

Macbeth Theatre Trip

On Monday, a selection of students went to The Lowry Theatre to see a performance of William Shakespeare's Macbeth. This new production retold the story of Shakespeare's classic tragedy however, it had a post-apocalyptic twist! The students enjoyed their evening which was filled with anarchy and uncertainty.

Football Report

The Year 9 football team had a difficult draw against Rivington and Blackrod on Monday in the Bolton Cup. Rivington took an early lead and Sharples struggled to recover. Daniel Bankole looked dangerous upfront and impressed on his first game of the season. Cole Bridge went close crashing his free kick against the crossbar and then Sharples eventually found the net with a well worked goal. It was only to be a consolation as Sharples crashed out of the cup.

The following day, Year 10 were looking to progress to the next round of the cup. It was a good performance by the team with Edison excelling at the back and Matthew Senior slotting home from the penalty spot. Overall, it was a good well fought performance but Sharples ran out of steam towards the end allowing St Catherine's to capitalise. They scored two second half goals which won the game. The final result was 4-2. Sharples should be proud as they played some good football.

Unfortunately, the Year 7 and 8 game was postponed by Kearsley until the following week. However, it was fantastic to see 30 students from both years still turn up to football practice in preparation for next week. Both Year 7 and 8 have 2 fixtures next week as they look to build on their positive start to the season.

Netball Report

The girls welcomed Mount St. Joseph's on Wednesday night to play netball. For our Year 7 team, it was their first competitive game against another school. For the Year 8s, they wanted the chance to play a Year 8 team after facing Smithills Year 10s in a friendly. The Year 9s wanted to keep their clean sheet with another win. Mount St. Joseph's arrived promptly and the matches got under way. Despite it being their first match, the Year 7 team settled quickly into the match and looked exceptionally strong. The Year 8 and 9 teams also made great starts. All the teams managed to get a goal early on in the game giving them confidence. Along with this, grit and determination all three teams fought fiercely for goals and it payed off as all of our teams won their match against Mount St. Joseph's! The Year 7s won 10-3, 8s won 4-1 and 9s won 8-3. This was just the type of fixture we need to prove that we have the ability to play some great netball and I'm proud of all of the girls who played. A special mention has to go to the girls who were picked by Mount St. Joseph's as 'Players of the Match', Grace, Freya and Charlotte. Well done girls and watch this space...our next match is against Ladybridge!
