Celebrating Success in STEM!

Congratulations to Fatima Adam, Tuba Ibrahim, Libby McKee, Isabel Chamberlain and Ruby Oliver in Year 10. These pupils have successfully accomplished a nationally recognised Crest Award as part of an on-going extra-curricular scientific project completed during their lunch breaks.

The students each achieved a certificate that can be used to enhance their UCAS personal statements for further study at college.

The group chose their own topic to study and created a life size human anatomy model researching how each of the organs worked.

If you are interested in completing a Crest Award, please speak with Mrs Singleton in S7. Bring along your ideas and group members. Find out more about what inspires or interests you and gain a nationally recognised certificate as evidence for your efforts. This is a fantastic enrichment opportunity and the possibility for projects is endless!

The National Apprenticeship Show

As part of the Sharples Careers and Guidance Program this term, a select group of Year 11 students will be attending The National Apprenticeship Show at Bolton Arena on Thursday 18th October. The show will bring students together with over 70 employers and training providers offering all levels of Apprenticeships ranging from intermediate to degree level courses.

As higher and degree Apprenticeships are on the rise, this will be a fantastic opportunity for students to speak on a one-to-one basis with providers that are of interest to them. Students will be able to gain more information, ask questions and collect contact details ensuring that they are in an extremely secure position to apply for vacancies and guarantee their post-16 options.

The event is also open to parents and carers on Wednesday 17th October from 16:00 – 18:00. The following link provides details of the event <https://www.nationalapprenticeshipshow.org/north/> and encourages all parents and carers to attend to see the variety of opportunities available in a lively, interactive and informative setting.

Year 6 at Sharples

This week we have welcomed over 250 Year 6 pupils attending our primary events at Sharples. On Tuesday, students from The Valley joined Miss Molyneux and Mr Stapley to learn all about rocks in science.

On Thursday, this week we held our annual Primary Spelling Bee in the library. Teams from Sharples, The Oaks and Belmont Primary competed to be the top spellers 2018!

The evening was a lot of fun and the winners were Sharples Primary! Thanks to Mrs Smith for organising.

Finally, this week we held The Big Performing Arts Day on Friday. The Valley, St Paul's and Sharples had a spooky time as they took part in workshops including horror make up and ghost dancing. Parents and Headteachers joined us in the afternoon for the Big Performance of The Monster Mash! Thanks to Mrs Stevens for organising and Mrs Fletcher, Mrs Smith and the Year 10 make up artists: Rowan, Libby, Isabel and Ruby!

Homework Club

The homework club is run daily by Mrs. Parrish HLTA KS4 and Mrs. Perkin HLTA KS3. It is open from the start of lunch until 1.15pm each day. The club takes place in room IT2 (for easy access to SMHW) and is available to all year groups and students. The main focus of the lunch club is primarily based on homework which (as evidence suggests) makes an important contribution to the progress and achievement of children in school. In addition, once homework is completed, we also allow English and Maths games and competition entries. Many pupils find these activities really interesting and pupils are very enthusiastic to take part. Pupils find the homework club to be an essential part of their school life with diverse positive benefits.

Duke of Edinburgh's Bronze Award applications update.

Thanks to all the Year 10 students who have applied this week for the school's new DofE Bronze Award programme. We have received 45 applications and, having read them, the students' positive enthusiasm and commitment shines through.

Our next step, is to see if we can offer more places than the 20 we have at the moment. We're running DofE to give a great experience for our students not to be turning people away. We believe that more places would be best if feasible. We aim to let students and parents know before the half term holiday starts next week.

Football Report

The Year 9 and 10 football teams had a week off but will be back in action next Thursday against Kearsley Academy. Year 7 and 8 have both had a busy week though playing two games in two days and giving the managers a good opportunity to utilise their full squad.

First up was local rivals Thornleigh. Year 7 got off to a good start with Noah and Ashton leading the way down the left hand side with good runs from Mohamed Dawood. At half time, the score was 2-1 to Thornleigh with Harvey Kenny scoring for Sharples. The second half was better for Sharples however, after Thornleigh scoring another one, motivation was lost. After a good team talk, Harvey again scored to bring it to 3-2. Unfortunately, this is how the game ended but (as a team) some really good football, passing and moving was played.

Year 8 made a positive start to the season with a dominant 2-0 victory against Thornleigh. The team enjoyed lots of possession, in the early stages, and made the opposition goalkeeper work from minute one with several shots on target. After continuous pressure by the home side, Jameel Khan hit the back of the net for Sharples after some crisp passing. During the second half, both teams had several chances although the defence from the home side held firm. After several great saves from the Thornleigh keeper, Sharples finally put the game to bed with an excellent finish from Lewis Spencer. 'Man of the Match' was Muhammad Patel with a fantastic display both with the ball and in defence. Year 8 continued their impressive start to the season recording another win (the following day) against Kearsley Academy. It was a dominant performance which saw the team smash six goals without reply. Muhammad Patel put in a 'Man of the Match' display scoring four goals, Selim Simsek scored a free kick, Phil Ufoma headed home from a corner and Liam Worswick added another. Jacob Bolton was immense in defence too! The team put in a superb performance and it was excellent preparation for their cup match next Tuesday.

Year 7 were looking to bounce back from their narrow defeat the previous day. However, it was a difficult ask against a very good Kearsley team. Mr Stapley used the heavy fixture load to rotate the squad and reward those that have been working hard in training.

Kearsley started strong with their two forwards dictating play. By half time Kearsley were 3-0 up, Sharples were hanging on with a good performance from Ibrahim in goal. Noah and Ziad worked hard to get a goal back with Noah forcing a penalty. From this, Noah scored. Unfortunately, Kearsley were too strong in the end and the game ended 5-1. Year 7 will have the opportunity to put this defeat behind them on Tuesday against St James in the Bolton Cup.

Netball Report

This Wednesday, the girls welcomed Ladybridge to Sharples for our 4th league fixture. After last week's win, the teams were buzzing on Tuesday night at training and were hoping for a repeat performance. They trained hard, practising their positions and playing against other years. Again, this dedication paid off. All three teams beat Ladybridge. We are on a winning streak and long may it continue. This is the first time that all three teams have won, twice in a row and we are all really proud of their efforts.

The Year 7 team were helped out by a couple of older players and won their game 14-8. The 'Player of the Match' was Grace. Year 8 won 15-5 and the 'Player of the Match' was Charlotte. Year 9 kept the winning going with 16-10 with Lauren scooping 'Player of the Match!' A clue for future weeks, 'Player of the Match' is asked to hold the ball in the team photos. Well done girls! Let's keep up this momentum - training on Wednesday next week.
