16th November  
2018

### Presentation Evening

On Wednesday evening, we welcomed back the Class of 2018 to Sharples. This was the perfect opportunity to celebrate their achievements and recognise their many endeavours.

Both students and guests were invited to have some light refreshments before the formalities had begun. This was an opportunity to listen to the melodic tones of Takunda Mutikani (in Year 10) on the keyboard, write personal and heartfelt messages on our message board and frequent our Sharples' dessert bar.

Mrs. Wild (our Chair of Governors) introduced the evening; this was followed by a speech from Ms. Webster whereby she spoke about the resilience and determination the students had shown throughout their time at Sharples School.

On the evening, we welcomed back former Sharples student, Ellis Waugh, who gave a motivational speech about his time at Sharples School and how our core values shaped his future. He was truly an inspirational figure and definitely a role model for our students.

Throughout the evening, the Class of 2018 received their all important GCSE certificates. This was followed by the Curriculum Awards and (lastly) the Special Awards announced by Mr. Savage. A huge congratulations to all of our worthy winners!

Throughout the evening, the students, parents and staff were entertained by two musical items. The first musical interlude - 'Wings' - was performed by two of our Year 10 students: Rowan Edlington and Jesika Eslick. Shortly after the Curriculum Awards were announced, Jay-Jay Makin performed a unique dance piece to 'Jump'. Finally, to draw our celebrations to a close, Courtney Adamson sang 'Rise Up' as our breathtaking finale. The performances were outstanding and thoroughly engaged the audience. Well done to all pupils who performed.

Thank you to everyone who attended and supported this thrilling evening.

### Congratulations to the Class of 2018

*Each one of you is now in further education or employed in a job with training. This is a tremendous achievement and on behalf of current students, staff and governors, we wish you a happy and successful future.*

#### G2G: Green & Black's Talk

On Monday, Miss Molyneux and Miss Amdavadi took a Year 9 and Year 10 G2G students to Bolton School to listen to a talk given by the co-founder of Green & Black's chocolate, Jo Fairley. Jo talked about how her dream came to life, the stages she went through to get to the product we see on the shelves today and the lessons she learned along the way. It was a brilliant and inspiring speech, telling our pupils to believe in themselves, follow their dreams and to persevere. Our pupils were thoroughly engaged and asked many questions at the end resulting in Leon Haslam winning £50 worth of Green & Black's chocolate for asking one of the best questions that evening.

#### Odd Socks Day

On Monday, a selection of students (from across all year groups) took part in our 'Odd Socks Day'. Even some staff members took part too! This was to support a national anti-bullying campaign. The purpose of the campaign was for the students to have fun whilst express themselves. We wanted our students to celebrate their individuality and what makes them all unique!

Thank you to all who took part.

Click [here](#) to go to the Anti-Bullying Alliance website, which has more information about the event along with other useful information.

#### STEM Conference

Last Friday, six of our Year 10 girls went to Manchester to take part in the Women in STEM Monster Confidence event set up to encourage young girls to study Science, Technology, Engineering and Maths subjects further. The pupils listened to two keynote speakers, took part in mock interviews and spent time in skills sessions where they looked at body language and confidence.

It was a brilliant event allowing our pupils to learn more about these career fields in depth and listen to the inspiring speeches of those who made it in the field.

#### Polyglot club

This half term in Polyglot club, we are learning Italian with Aisha Afzal (10L) and Ume Khan (8S). On Wednesday lunch times, until the Christmas holidays, we will be covering basic Italian words and phrases with our experts and finding out more about Italy. Come and join us in learning an exciting new language! Everyone is welcome.

For more information, and a lunch pass, see Miss Liddy in FL3.

#### Year 7 Castle-building in History

Year 7 students have been designing and building castles in History, putting their knowledge of medieval castles into practice and showing off their craft skills. All students have designed castles - of different sorts - and many have made theirs at home out of cereal boxes, loo rolls, paper mache and even CAD and 3D printers. The very best have been invited to sign the Sharples School Roll of Honour and it was a tough choice to make. Staff and older students around the school have been impressed with the quality (and detail) of the castles made by our year 7 historians. Well done to all!

#### Universities Insight Day

Last Saturday, Sharples School took a group of Year 11 pupils to the University of Bolton to take part in their Universities Insight Day. The pupils listened to speeches provided by leading universities such as the University of Manchester, Leeds, Bradford, York, Lancaster, Salford and Bolton who all gave a brief overview of their university and courses on offer. The pupils then had time to speak to representatives from each university to ask further questions and pick up prospectuses. As universities take GCSE grades and A Level choices into consideration, it was a fantastic opportunity for all Year 11 pupils.

#### Sports Report (Boys)

The table tennis team have been working hard in practise and had their first game of the season this week away at Thornleigh. It was a thrilling encounter that went all the way to the end with Sharples finishing victorious. Alex Grabowski has won the majority of games against older opposition. In addition, Archie Lonsdale and Sam Fullarton also put in a dominant performance. Debutants Harvey Kenny and Andy Craciun were excellent despite only being in year 7. Next week, the team will host Westhoughton High School on Wednesday.

The Year 7 football squad continue to train over the winter and, on Thursday, had a league fixture away at St Catherine's. Sharples started the game on the front foot and created numerous chances. Ashton eventually broke the deadlock firing in from close range. Missed opportunities proved costly though as Sharples conceded just before the interval.

The second half wasn't as open as the first and St Catherine's looked like they'd won the game after scoring near the end. However, Sharples refused to accept defeat and equalised at the death. Ziad Mohamed picked up the ball, in his own half, and went on a jinking run past four defenders but hit his shot against the inside of the post. Fortunately, Harvey Kenny put in the rebound to score the goal his performance deserved. It was a fantastic team performance with Finley Westwood putting in a 'Man of the Match' display in defence.

#### Sports Fixtures

##### Monday:

KS3 swimming club  
Fitness suite  
Rugby practise all years

##### Tuesday:

Year 7 & 8 football training  
Girls netball practise- all years  
BTEC catch up session
