World Read Aloud Day 2019

On Friday of last week, a selection of students (from all years) took part in our annual World Read Aloud Day celebrations.

Every year, on World Read Aloud Day, people all around the globe read aloud together and share stories. Literacy is a human right that belongs to all people.

Safah Darvesh, Zain Chhadat, Ella Hornby, Mohammed Aurang and Cole Humphries - all from 7L - had a great time reading in front of their peers.

7SEN4, Miss Amdavadi's class, are pictured. They enjoyed their reading session.

The Big Band Day

On Tuesday of this week, our Year 10 Music students travelled to Runshaw College to take part in The Big Band Day.

An orchestra of over 40 instruments was put together in one day to perform in front of a packed evening audience.

Our students performed solos during the Jazz and Funk evening alongside Year 12 and 13 students from Runshaw.

It was a daunting experience but, despite the nerves, it was a fantastic success with a grand finale of "The Watermelon Song!"

Well done to everyone involved and thank you to Runshaw for providing the experience.

The Year 9 Mid Year Exam Timetable has just been released, [click here](#) to view, download or print it.

Youth Speak Competition

On Wednesday, Sharples School held one of the heats for the Rotary Club Youth Speaks Competition. A brilliant event attended by many of the local schools, we watched pupils discuss complex and insightful ideas. The team from Sharples consisted of Poppi, Erica and Khadijah who were fantastic and great ambassadors for the school – well done girls! There were many Year 10 students who willingly gave up their time to help prepare for the event and speak to the visitors who commended our pupils on their positivity and their polite and helpful manner; they were a credit to the school. All pupils involved have been invited to sign the Sharples' Book of Honour to celebrate their achievements. A big thank you to Mrs Smith and Miss Amdavadi for hosting the competition; they look forward to hosting it again next year.

Romeo and Juliet Performance

This week, a group of Year 9 pupils went to watch Romeo and Juliet at the Grange Theatre. A modern twist on the play meant the Montague and Capulet feud changed to a feud between Manchester United and Manchester City allowing pupils to grasp the key ideas of the play quickly. It was a fantastic way of introducing the pupils to the play before they study it next term. A huge thank you to Mr Myerscough, Miss Perkins and Miss Atherton for accompanying the pupils.

Sports Report

It's been a difficult couple of weeks for Sharples' teams with a number of fixtures affected by the weather. However, it was great to get back up and running this week with some competitive sport.

Firstly, the school would like to congratulate Harvey Kenny (7th) and Jack Riding (13th) who represented Bolton in the GM Championships this weekend. It's a fantastic achievement to represent the town and Harvey will now go on to represent Greater Manchester in the next competition.

Year 9 eventually had the chance to play Essa a fixture postponed twice due to the weather. It was well worth the wait though as both teams worked tirelessly and defended well. With the game tied the game went to penalties and Sharples finished 3-1 winners. 'Man of the Match' was Daniel Bankole, with Jacob Bolton putting in a fantastic performance at the back.

Year 10 travelled to St Catherine's (on the same night) but struggled against strong opposition. Sharples kept possession pretty well but struggled to break down the opposition's defence and there wasn't much Tanzeel could do in net to prevent a number of goals scored from distance. St Catherine's certainly had their shooting boots on.

It was the Bolton Gymnastics competition on Wednesday and Saffy Jolly, Faith Peake and Jess Hill have been preparing since Christmas for the competition.

Unfortunately, the girls' KS3 football tournament had to be postponed on Thursday but will be replayed after half term.

Magmatastic!

This week, Year 3 (from The Oaks Primary School) visited us at Sharples and they brought with them their homemade volcano models! The class have been learning about how volcanoes form and the stories of the most famous volcanoes around the world including Vesuvius and the ash cloud volcano in Iceland.

Mr Stapley and Miss Molyneux then helped the students to erupt their volcanoes using a chemical reaction of vinegar, baking soda and - of course - red food colouring! The volcanoes were so realistic and we were very impressed with the students knowledge of the subject!
