Year 10 Maths Club

Last November, ten of our Year 10 pupils went to Manchester Metropolitan University to attend a Maths Club Event. Last Thursday, they attended their second session. Pupils developed their skills by learning new ways of tackling fractions, working against the clock to complete puzzles, and even successfully completing A Level Maths questions. The pupil's feedback was brilliant – they all thoroughly enjoyed the sessions and hope to go again soon. A big thank you to Mrs Perkins for taking them.

Year 10 Campus Visit

Last Friday, Mrs Howker and Mrs Parrish took a group of Year 10 pupils to Manchester Metropolitan University for a Campus Visit. They spent the day learning about the courses they offer, taking part in a campus tour and working in groups to create a new society. The winning group created "The International Food Society" where people would come together and share foods from their own cultures as well as cooking food to help those in need. It was a brilliant idea, and one which they hope to explore and create at school.

World Book Day 2019 Winners

First place: Huraira Imtiaz (7S).
Second place: Zayn Teemil (7P).
Third place: Beatrix Howden (7R).

Readathon Reminder

Please ensure that all sponsorship money is handed in by 27th March to Mrs N Smith (FL5).

STEM Careers

To help celebrate STEM week, we organised career drop in sessions for all year groups during lunchtime. Pupils booked in appointments to speak to Oona, our careers advisor, and looked through the apprenticeship and university prospectuses. Pupils, hopefully, found out more information and gained a better idea of Post-16 routes available to them. It was a great way for pupils to learn about the multitude of careers available to them, as well as gain an idea of what they need to do to get there. In addition, the extra-curricular activities they may access in school were also discussed giving them a further insight on how to boost their skills. Pupils can visit the careers page on the school website to find out more.

Sports Report - Girls' Netball

On Tuesday, the Year 8 netball team took part in the annual Bolton Schools' Netball Tournament. We were in Section A and had six matches to play. Our opposition were Bolton School, Rivington, Thornleigh, Harper Green, Turton and Little Lever. Our first game (against Rivington) was exactly how any team wants their first game in a tournament to go; we beat them comfortably 4-0. The girls were so pleased with their performance that they went into the next game (against Bolton School) with high hopes. We knew we would have to work hard in defence against them and we did. Our opposition only managed a score of 3-1 against us which is a score the girls were really proud of. Bolton School tend to score highly. After that, we went on to win our next two matches against Harper Green and Little Lever. Leah Jackson and Charlotte Robinson worked really well in attack and played some lovely set plays. This did however mean that both teams struggled to defend. Unfortunately, we didn't manage to keep our winning streak and lost narrowly to both Thornleigh and Turton. The girls were justifiably very proud of their performance. Well done to all the girls who played. It was a real team effort and - as always - they represented Sharples School extremely well.

Attendance

11th March -
15th March

Best Year Group

Year 7	97.6%
Year 8	94.6%
Year 9	93.3%
Year 10	96.3%
Year 11	94.6%

Best Forms:

7A	99.3%
8L	98.3%
9L	97.3%
10S	100%
11S	99.6%

249 pupils have
100% for current
academic year
