#### Visit from Shanghai Teachers

On Thursday of this week, Sharples School were joined by five teachers from Shanghai. The visitors are in the UK as part of a secondment at the University of Bolton. They toured the school, spent time in Science, English, Maths and Languages lessons and participated in an Art lesson with Year 10 students.

They were most impressed with our School Leaders and - in particular - their haul of badges over the 5 years that they have been at Sharples!

We would like to thank Martyn Shaw (from the University of Bolton) for arranging the visit and we hope to arrange an exchange to China in the coming years.

#### Careers Event at Bolton Sixth Form College

On Wednesday, Mr Hesford, Mr Stanier and Miss Amdavadi took 50 of our Year 10 pupils to Bolton Sixth Form College for a careers event. It was a brilliant networking opportunity for our pupils as they got to speak to university and apprenticeship representatives from all over the country. The pupils picked up prospectuses, looked at the summer residential trips and open day events. They also sat in an employability skills talk where they learned the importance of gaining a variety of experiences so that they can discuss them - in detail - in an interview or on their CV.

It was a brilliantly engaging and interactive event for our pupils.

#### Readathon Reminder

Please ensure that all sponsorship money is handed in by 27th March to Mrs N Smith (FL5).

#### Sports Report

The Year 8 football team hosted Thornleigh this week and played the game on astro-turf due to the poor weather. Sharples were straight out of the blocks and started the game with an unbelievable intensity which Thornleigh struggled to cope with. The combination play of the forward players was a delight to watch and (incredibly) Sharples found themselves 5 goals up after the first 10 minutes! The game then settled down and Sharples kept possession well. Sharples added another 3 goals to their tally and conceded 3 in the second half despite the best efforts of Mason Bridge. Jacob Bolton was immense in defence alongside Lewis Hogan and the combination play from Liam Worswick, Mohammed Patel, Selim Simsek and Mohammed Ayman was a real pleasure to watch.

The Year 7 netball team travelled to Bolton School for their first netball tournament. They were put into section A which meant their opposition would be Bolton School, Thornleigh, Little Lever and St. Joseph's. Unfortunately, two schools didn't attend meaning that our group was depleted. *continued...*

The first game was against Bolton School, which was not what we would have liked, because as with other year groups, Bolton Schools netball teams are extremely strong. We lost our first game 11-2 but, despite being disheartened, the girls approached the second game (against Thornleigh) with resilience. This game was much closer as we were able to break their defence on a number of occasions. Disappointingly, we lost this game by one goal. Our performance was improving with each match and we went on to win the next two matches against St. Joseph's and Little Lever. Regrettably, it came down to goal difference so we did not make it through the the semi-final. The girls had a great time participating in the tournament - well done to those who represented the school so well.

On Thursday, the KS3 Girls' Football team travelled to Westhoughton High School for the annual Girls' Football event. The weather was kind to us which had the Sharples team in high spirits. 10 schools took part with Sharples being placed in a group with St James's, Turton and Smithills. There was some great team performances particularly in the final game against Smithills which ended goalless. 'Player of the Tournament' was Charlotte Robinson with some fantastic efforts in attack. All students had a thoroughly enjoyable time and represented the school in the highest manner.

Sharples' Running Club, for both staff and students, continues to grow in numbers. Why not come along and give it a go? The sessions run every Thursday.

#### Attendance

18th March -  
22nd March

#### Best Year Group

Year 7	96.2%
Year 8	95.5%
Year 9	94.0%
Year 10	95.4%
Year 11	94.3%

#### Best Forms:

7H	98.3%
8R	98.3%
9H	97.7%
10S	97.8%
11S&S1	100%

235 pupils have  
100% for current  
academic year.
