Teaching and Learning Celebration

On Thursday of last week, staff at Sharples were treated to a Teaching and Learning extravaganza!

The purpose of the evening was to share good practice in relation to our Teaching and Learning Communities. Throughout this academic year, all of the staff at Sharples have been part of different communities such as:

Stretch and Challenge - led by Mrs Denning;
Disadvantaged - led by Mr Callaghan;
Differentiation - led by Mrs Paradine;
Key Skills - led by Mrs Khan;
Research - led by Miss Dann.

Each group had to deliver a short presentation to one another reflecting on their experiences within their communities.

Following on from the presentations, staff enjoyed a buffet provided by Mellors.

In addition to this, we also had a guest speaker who came all the way from London. Katherine Birbalsingh, headteacher of the Michaela Community School, also presented to staff. After this, there was even time for a question and answer session. Many of our staff thought that the session was both informative and insightful.

Finally, as a token of appreciation, we ended the evening with a staff raffle. Many of our staff left with an array of prizes!

A special thanks goes to Katherine Birbalsingh and to all of the local businesses who donated prizes.

Accelerated Reader Party 2019

On Thursday, a selection of Year 7 and Year 8 students participated in our annual Accelerated Reader celebration. The purpose of the party was to reward students who have made significant progress with their reading or they have shown great perseverance (in relation to their reading) this year.

Keep up the good work over the summer!

International School News Update

This weekend, we learned of some more exciting news in relation to our International work.

Earlier this term we applied, as part of a cluster of schools from the North West, for funding from Connecting Classrooms for an International Project on one of the Global Goals with a school in South Africa. We are delighted to let you know that we have been successful in our application. Sharples is also the only high school involved in the project which shows our commitment to providing opportunities to our pupils above and beyond the 'norm'.

The project will take place in classrooms during the next academic year and will focus on gender equality. The project also includes teacher visits (to the schools involved) to share best practice and - hopefully - will lead to a pupil visit in the future.

Erasmus+

In addition to this, we learned on Monday that we have been successful in securing 2 staff places on a British Council seminar in China this November. The seminar will allow us to find a partner school in China which we will apply for £15,000 of funding to take around 12 of our pupils to visit in the spring or summer term. It will be a once in a lifetime opportunity!

This funding is in addition to the 3 Erasmus+ projects for staff CPD and pupil exchanges totalling 150,000€ which the school are currently running. With more applications in the pipeline, this is a very exciting time for all at Sharples, and will certainly create invaluable opportunities for our pupils as they progress beyond our school in this ever changing global market and workplace.

Academic Achievement Awards

This week, our Academic Achievement Assemblies were held each morning to recognise the achievements of our students in 2018-19. We welcomed students, families and special guest speakers each day to award our prizewinners.

On Tuesday (of this week) Rukaiyah Kazi and Sanniyah Waka, two formed students, came along to present the awards and give some words of wisdom to our Year 10s who are going into their final year.

On Thursday, former Head Boy, Lukman Patel visited Sharples to present our awards to Year 9 students.

A huge well done to all our award winners!

GCSE Results Day is on Thursday 22nd August

Sports Day 2019

Our annual Sports Day had a slightly different theme to it this year. We had 15 different activities for all of our students to take part in including two inflatable assault courses, a total wipeout machine, ultimate frisbee and dancercise to name but a few! All year groups, from Year 7-10, took part in the event which gave students the opportunity to have six periods of fun and physical activity along with their peers and form tutors. Students also had the chance to compete in some inter-form competitions in football, rounders and dodgeball. The finals of which will be taking place on the last day of term. All pupils (and staff) had a fantastic experience which was made even better by the glorious weather! We will be repeating the event next year with some even bigger and better activities planned for every student at Sharples.

Attendance

15th July -
19th July

Best Year Group:

Year 7	96.8%
Year 8	95.2%
Year 9	93.5%
Year 10	95.3%

Best Forms:

7L	98.0%
8L	97.3%
9S1&L	96.0%
10S	97.2%

56 pupils have
100% for current
academic year.

Dates For Your Diary
