#### **Bolton Sixth Form College Open Days**

College open days give you the opportunity to get a sense of what College life is like and to pick up a wide range of useful information. They cover all subjects offered by the College. The Head of College will usually introduce the College and you'll be shown around the grounds and facilities, probably by some of the students. Directors of Studies will discuss their courses, and outline any specific admissions requirements that the College might have.

As Year 11 are now getting ready to apply for their preferred Post-16 routes, it is imperative to attend open days and speak to course leaders. The Bolton Sixth Form open days are as below:

Saturday 12th October 2019: 10.30am – 2.00pm

Wednesday 20th November 2019: 5.30pm – 8.00pm

Tuesday 28th January 2019: 5.30pm – 7.30pm

Both parents and carers are free to attend.

#### **Open Evening and Teacher Training Day Information**

Dear Parent/Carer

I would like to take this opportunity to remind you that school is closed to students on Friday 27th September to enable staff training to take place. School will also close at 2.15pm on Thursday 26th September to allow us to prepare for our Open Evening, both school buses have been booked for the earlier departure. Please do not hesitate to contact the school if you require us to supervise your child until the usual departure time of 3.05pm on the 26th.

Regards,  
Ms Webster, Headteacher

#### **Bolton Futures4Me Event**

Bolton College are holding a Year 11 Students and Parents Event to Promote Post-16 Choices. This event will give those who attend the chance to find out about the variety of opportunities that Bolton has to offer to students once they finish Year 11. Staff from all of Bolton's sixth forms, colleges and training organisations will be available to provide information and answer questions about the courses they have on offer to Post-16 students including A Levels and Apprenticeship courses. Local and national employers have also been invited to the event to talk about routes into their specific occupational areas. In addition, representatives from Connexions will be available to provide careers information, advice and guidance, including support for students wishing to go directly into employment. The event will take place at Bolton College on Deane Road on Monday 7th October 2019 and will run between 3.30pm and 7.00pm for you to drop in as you choose.

See page 4 of the newsletter for the poster with full details.

#### A Trip Back in Time

This week, year 8 and 9 Sharples historians visited Quarry Bank Mill to rediscover the industrial revolution. They explored the original 18th century cotton spinning mill with its original waterwheel, practised jobs like carrying the can, scavenging and piecing that used to be carried out by children as young as 9 years of age and saw demonstrations of different generations of textiles machinery in action. Students also went to the apprentice house where 90 children brought from workhouses across England lived together while working 12 hour days, 6 days a week in the mill. That was before they spent time in the school room in the evening.

It was a fabulous experience for Sharples students to get a real sense of life in industrial towns like Bolton not so very long ago. We all appreciated the coach ride back to our modern homes as well.

#### Dates For Your Diary

Tuesday 17th  
and Wednesday  
18th September  
- Open Morning

Thursday 26th  
September -  
Open Evening
