Good 2 Great Monthly Lecture - Performing Arts

Last Thursday we held our first monthly lecture of the year as part of the Sharples Good 2 Great Programme.

Former Sharples student Kyle Cambray came along to talk about his career since leaving us which has included a role alongside Sheridan Smith in the ITV drama “Cilla”, small parts in Coronation Street and now as a tutor of Performing Arts at Bolton College. Kyle talked about the tough business of acting but that the key to success is to be resilient and never give up on your dreams.

A packed audience of Year 7 to 11 students listened to his story and enjoyed watching some of his projects and roles over the years.

Kyle has offered to come back to Sharples to work with some of our GCSE students in the future! A huge thanks to Kyle who has certainly done Sharples proud as a former student!

The Sharples Excellence System

At Sharples we reward positive conduct; in and out of lessons students can receive ACE points for their accomplishments.

Academic points are awarded for progress in lessons.

Community points are awarded for contributing to the school community and being a good citizen.

Excellence points are given to students who go above and beyond expectations.

Last year some of the prizes included: a weekly prize of an early lunch and a text message home; half termly treats and 'chill out' reward time; activity afternoons filled with sports, films or pamper and an end of year trip to Blackpool Pleasure Beach.

From next week, updates of your child's reward points will be available on the School Gateway App for all parents and carers. Every time a teacher gives your child a reward point you will receive a notification and you will be able to keep track of your child's total points.

Renting a School Locker at Sharples

Parent/Carers, we have lockers available in school for pupil use.

If you are interested in renting a locker, please [click here](#) for full instructions.

Sports Report (Netball)

Smithills travelled the short distance to play netball against us this Wednesday. They could only bring two teams and decided on Years 7 and 8. The Year 8s played first and stormed ahead scoring 6 goals. They conceded two goals but continued to attack well. The girls displayed some really positive game play and worked well as a team. The game finished with our team winning 14-6. The Year 7 team must have been inspired to play well as they too got off to a good start scoring 3 goals, one after the other. The game finished with the Year 7s winning 10-3. Well done to Ruby and Cherie who got players of the match. Well done to all the girls who played. All teams have a match against St. Catherine's next week and we wish you all good luck.

Sports Report (Football)

Year 7 had their first game in the Bolton Cup this week when they travelled to Smithills. The team were looking to bounce back from their narrow defeat last week in the league. It was clear that the team hadn't lost any confidence as they exploded into action immediately and soon found themselves 3 goals up. Sharples were too strong all over the pitch and dominated possession throughout; they created numerous goal scoring opportunities throughout. Harvey was pulling the strings in midfield, Josh was immense in defence, Grace was superb throughout, dribbling through the opposition and Luca showed great composure in front of goal and*continued on next page...*

scored the first hat trick for the Year 7 team. The achieved a very convincing 6-1 victory in the end.

Unfortunately, the Year 7 and 8 game against Kearsley Academy and Year 9 match against St Catherine's all fell victim to the bad weather. These fixtures will be rearranged at a later date however this won't be next week as Years 7-10 are all in action against Eden Boys and Year 11 host Turton on Tuesday in the Bolton Cup.

National Apprenticeship Roadshow

Next week, Sharples School will be taking all of Year 10 to Bolton Arena for their Apprenticeship Roadshow. With over 70 exhibitors, this will be the perfect opportunity for students to speak to a multitude of apprenticeship providers and receive first-hand information on post-16 career routes, pay scales, jobs, entry requirements and application deadline dates. With higher and degree apprenticeships on the rise, there has never been a better time for your son or daughter to find out more.

There will also be an evening session on Tuesday 15th October where parents and carers of all year groups are encouraged to attend - this will take place from 4pm - 6pm.

For more information, including a list of all exhibitors, please visit:
<https://www.nationalapprenticeshipshow.org/north/>

Bolton Sixth Form College Open Event

On Saturday 12th October, BSFC are holding their Open Event for all pupils and parents/carers from 10:00 – 14:00. All Year 11 pupils are encouraged to attend as it will be a great opportunity for Year 11 pupils to find out more about the courses available and the application process.

See final page of this newsletter for the poster which includes the full details.
