Numeracy Ninja

A group of Year 7 pupils have successfully become Numeracy Ninjas after working hard over the last ten weeks to improve their numeracy skills during form time. Pupils have been able to apply their knowledge in Maths lessons and have gained confidence in vital skills that will support them throughout their life. Well done all!

If you are interested in becoming the next Numeracy Ninja please see Mrs McCawley in G21.

Readathon 2020

World Book Day is fast approaching. If you would like to participate in our annual Readathon event, please see Mrs Smith in U12 or a member of the English Department.

For more information regarding this charity, please follow the link below:

The Sharples' Book Drive

At Sharples, we are keen to encourage our pupils to read for pleasure. Pupils who read regularly achieve higher GCSE grades and are more likely to secure managerial and professional jobs in the future. It is also a fantastic way to reduce stress and look after our pupils' mental health.

Sharples' pupils are privileged to have a brilliant library that we replenish with new books on a regular basis. However, we would like the community to help us in keeping the library full of great reads.

Over the next two weeks, there will be an Amnesty Box in the library for pupils to return any overdue library books. Parents, please ask pupils to search their bags and bedrooms for any forgotten books!

Furthermore, we would also appreciate donations of Children's and Young Adult books from members of the Sharples' community. If you have any books that you no longer need, please drop them off in reception and we will add them to our library shelves.

World Book Day 2020

Reminder: It is World Book day on Thursday 5th March.

There will be lots of events and activities organised on this date. Activities will take place at lunchtime in the library.

Year 7 students ONLY may come to school dressed as their favourite book character.

Expert Elevation

Our Year 11s took part in a special Elevate Event this week. Our students were taught by an expert on how to prepare effectively for exams and convert that exam stress into positive attitudes. Well done for all those who took part, there was some great feedback!

National Careers Week

Next week is National Careers Week and our students will be participating in many activities to guide them towards future aspirations. It may be helpful if you could speak to your children about what their goals are in the future and how they may achieve this. There are also many websites the students have access to in order to provide them with the appropriate information such as:

<https://nationalcareers.service.gov.uk/>

<https://www.unifrog.org/>

In our newsletter, each week we will be including a box with a 'Career of the Week'. This will include different careers each week that will allow pupils to identify different Career opportunities and details of how they can achieve them. See below for this week's career.

Magazine Journalist

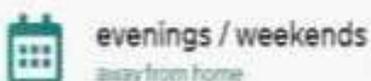

Average Salary:

Typical hours per week:

You could work:

Qualifications:

Sports Report

It's been a difficult week for many of our after school clubs due to the horrendous weather conditions. This, unfortunately, led to the postponement of the Year 9 Bolton Cup Football quarter final fixture against Turton and the cancellation of the KS3 Girls Football tournament.

Next week, will see the Year 8 and 9 girls going to David Lloyd again, the boxing club (resuming on Monday) and - hopefully - no more cancellations.

Sharples were able to host a Year 3 and 4 futsal tournament using the newly installed futsal goal posts in the sports hall. Six additional schools are coming to Sharples the following week to compete in another futsal tournament. Sharples will be starting a new futsal club in the near future and have arranged for Bolton Wanderers to come in and assist in the delivery.

The PE department went on a number of training sessions (after school this week) so they can deliver some new activities, such as body conditioning, pilates, aqua aerobics and dancercise. The department will be trying some new activities during PE lessons. Don't forget to watch this space for new clubs starting after school.

Attendance

24th February -
28th February

Best Year Group:

Year 7	97.1%
Year 8	95.5%
Year 9	93.7%
