Year 8

Academic Achievement Assembly Special 2020

A Message from your Headteacher

This academic year has presented us with huge challenges which have affected everyone, locally, nationally and globally.

Our students have had to adapt and learn in different ways and we have worked hard to maintain a strong sense school community, all be it, from a distance.

I am very proud of our Year 8 students who have engaged positively with distance learning. Many have gone above and beyond through their participation in enrichment activities, such as, the Sharples Community Challenges.

It is important to recognise the individuals in Year 8 who have excelled this year and our 'virtual' Academic Achievement Assemblies enable us to celebrate their successes. All of our award winners should be incredibly proud of themselves!

I hope that all of our Year 8 students have a safe and happy summer holiday and I look forward to welcoming them back to school in September.

OVERALL PROGRESS

Rabbia Arzoo

Rabia has worked well across all subjects in the curriculum. She has a positive contribution to lessons and learning. We have been impressed with her commitment to developing her learning throughout the year especially during Distance Learning.

Michael Marsden Price

Eager to contribute to lessons and has a positive influence on all those around him.

Michael has shown throughout the year that he is a committed learner keen to do well at Sharples.

Raesa Mank

We have been very pleased with the way in which Raesa has approached her work in school throughout the year. We have been impressed with the way in which Raesa has taken part in all that the school has offered throughout the year through club attendance, equipment checks and community awards. Well Done Raesa!

Noah Dawson

Has worked well and has really developed his independent learning skills. Noah's homework has been excellent throughout the year and it has been good to see how well he has managed his own workload. The ability to motivate yourself to work well is a skill that will help bring more success as he moves into KS4. Well done Noah!
