Year 9

Academic Achievement Assembly Special 2020

A Message from your Headteacher

This academic year has presented us with huge challenges which have affected everyone, locally, nationally and globally.

Our students have had to adapt and learn in different ways and we have worked hard to maintain a strong sense school community, all be it, from a distance.

I am very proud of our Year 9 students who have engaged positively with distance learning. Many have gone above and beyond through their participation in enrichment activities, such as, the Sharples Community Challenges.

It is important to recognise the individuals in Year 9 who have excelled this year and our 'virtual' Academic Achievement Assemblies enable us to celebrate their successes. All of our award winners should be incredibly proud of themselves!

I hope that all of our Year 9 students have a safe and happy summer holiday and I look forward to welcoming them back to school in September.
