1. Values and Aims

Values

The School's behaviour policy is based on four core values: Courtesy, Co-operation, Consideration and common-sense. It is an expectation that all members of Sharples School will have a clear understanding of their rights and responsibilities and will behave in accordance with this.

Aims

This policy aims to:

- Provide a **consistent approach** to behaviour management within Sharples School.
- Ensure that Sharples School is a **safe and supportive** environment.
- **Define** what we consider to be unacceptable behaviour, including bullying at Sharples school.
- Outline **how pupils are expected to behave and show respect to all at Sharples School**.
- Summarise the **roles and responsibilities** of different people in the school community with regards to behaviour management.
- Outline our system of **rewards and sanctions at Sharples School**.

2. Legislation and Statutory Requirements

This policy is based on advice from the Department for Education (DfE) on:

- [Behaviour and discipline in schools](#)
- [Searching, screening and confiscation at school](#)
- [The Equality Act 2010](#)
- [Use of reasonable force in schools](#)
- [Supporting pupils with medical conditions at school](#)

It is also based on the [special educational needs and disability \(SEND\) code of practice](#)

In addition, this policy is based on:

- Section 175 of the [Education Act 2002](#), which outlines a school's duty to safeguard and promote the welfare of its pupils
- Sections 88-94 of the [Education and Inspections Act 2006](#), which require schools to regulate pupils' behaviour and publish a behaviour policy and written statement of behaviour principles, and give schools the authority to confiscate pupils' property
- [DfE guidance](#) explaining that maintained schools should publish their behaviour policy

3. Expected Standards of Behaviour

Our basic expectation for students is articulated within the SMART principles.

Smartly dressed in full uniform

Must be equipped

Attend school every day and on time

Respectful of others and the school environment

Target success in all lessons

These expected standards of behaviour are regularly reiterated in form time, assemblies, Super Learning Days and in lessons by all staff. The student code of conduct supports these principles and is displayed in classrooms.

We will not accept the following behaviours:

- Disrupting the learning of others, in lesson, in corridors between lessons and at break and lunchtime
- Use of inappropriate language
- Non-completion of classwork or homework
- Acts of aggression or any kind of physical violence
- Bullying or intimidation

- Vandalism

We will not accept the following serious behaviours:

- Repeated breaches of the school rules.
- Sexual assault, which is any unwanted sexual behaviour that causes humiliation, pain, fear or intimidation
- Theft
- Fighting
- Smoking
- Racist, sexist, homophobic or discriminatory behaviour
- Possession and or/use of any prohibited items. These are:
 - Knives or weapons
 - Alcohol
 - Illegal drugs
 - Stolen items
 - Tobacco and cigarette papers
 - Fireworks
 - Pornographic images
 - Any article a staff member reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to the property of, any person (including the student)

4. Bullying

Bullying is defined as the repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power. Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

Bullying can include:

Type of bullying	Definition
Emotional	Being unfriendly, excluding, tormenting
Physical	Hitting, kicking, pushing, taking another's belongings, any use of violence
Racial	Racial taunts, graffiti, gestures
Sexual	Explicit sexual remarks, display of sexual material, sexual gestures, unwanted physical attention, comments about sexual reputation or performance, or inappropriate touching
Direct or indirect verbal	Name-calling, sarcasm, spreading rumours, teasing
Cyber-bullying	Bullying that takes place online, such as through social networking sites, messaging apps or gaming sites

5. Procedures for Dealing with Unacceptable Behaviour

A behaviour pathway is used by all staff. This provides clear guidance on how to act when unacceptable behaviour contravening the SMART code is observed.

Procedures for dealing with incidents requiring intervention

Staff must log all incidents on CPOMS and the sanction be made clear. Where the incident is dealt with by a member of the SLT an additional sanction may be enforced.

Should the student reach S4 on the Curriculum behaviour pathway, then a member of the Pastoral Team or Senior Leadership Team will collect the student, deal with the incident and contact made with parents/guardians if required.

The teacher concerned **must follow up by recording the incident on CPOMS.**

The use of sanctions

Students can be disciplined for inappropriate behaviour both in school and outside of school. Sanctions applied must be proportionate to the offence committed and the student concerned.

Sanctions include:

- Detention (SMART, subject or SLT)
- Being placed on report book
- Confiscation and/or destruction of property
- Isolation with the Internal Exclusion Unit (IEU) / Pastoral Hub (SZ)
- Being placed on an Alternative Supervised Provision (ASP)
- Being placed on a Managed Move (MM) at another local school
- Receiving a Fixed Term Exclusion (FTE) (see exclusion policy)
- Governors Disciplinary Panel
- Permanent Exclusion

Detention Policy and Procedure

Sharples School has a range of detentions issued in order of their severity and respective circumstances:

Ten Minute Detentions

Issued when an S1 is given during a lesson and a verbal warning has failed to stop poor behaviour.

SMART Detention

Students who do not meet SMART criteria are given a 40-minute detention for the following day. SMART detention is issued for:

- Failing to adhere to the Curriculum behaviour pathway (log on CPOMS)
- Failing to adhere to the school procedures and expectations outside the classroom
- Failing to attend 10 minute detentions, refusal, being removed from the classroom and exiting the classroom without permission
- Chewing gum
- Full or no uniform card
- Students who have been late to school on 2 or more occasions during the week

Subject Detention

Departments will have their own arrangements for holding a 40-minute detention when a student fails to produce satisfactory work or in circumstances when homework has not been completed.

Senior Teacher Detention

Senior detention is held once per week on Fridays (15.05-16.30) in the school theatre and is supervised by members of the Senior Leadership Team. Timings will be 15.05 – 16.15 from November – February.

Senior Detention is set for:

- Students who have exhibited extreme disruptive/dangerous/poor behaviour
- Students who have failed to attend previous SMART/Subject detentions
- Students who have been late on at least 3 occasions during the week/failed to attend the SMART for 2 late occurrences
- Students who reach S4 on the Curriculum behaviour pathway.
- Students who receive an Incident Require Intervention (IRI) on CPOMS

All detentions issued are recorded on CPOMS.

Non-Compliance with School Uniform Policy

The school seeks to maintain high standards of school uniform and action will be taken where these standards are breached. Form Tutors, classroom staff, Year Co-ordinators and SLT will check that students are wearing the school uniform in the correct manner at the start of every lesson. In circumstances of minor uniform discrepancies students will be spoken to and the matter addressed at the time. Where the breach of uniform is serious and cooperation is not forthcoming from the student, then he/she will be isolated within the IEU / Pastoral hub and this will be logged on CPOMS.

Searching screening and confiscation (Appendix A)

The school has a statutory obligation to manage the health and safety of staff, students and visitors and ensure that school discipline is maintained. Under this authority, we reserve the right to search and screen students under the following circumstances and to confiscate items in line with DFE guidelines.

Any prohibited items (listed in Point 3) found in student's possession will be confiscated. These items will not be returned to students.

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to students after discussion with senior leaders and parents, if appropriate. Searching and screening pupils is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

Use of Restraint (Appendix B)

In cases where a student is at risk of causing harm to themselves, another student, an adult or damaging property, reasonable force may be used to control or restrain pupils.

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

Incidents of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned

The Headteacher will also consider the pastoral needs of staff accused of misconduct.

11. Student Support

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

12. Student Transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year. Information on behaviour issues may also be shared with new settings for those pupils transferring to other schools.

13. Training

Our staff are provided with training on managing behaviour as part of their induction process.

Behaviour management will also form part of continuing professional development and additional training may be accessed by all Sharples staff at any time through the school's subscription to The National College training website.

A staff training log is maintained.

This behaviour policy is linked to the following policies:

- Exclusions policy
- Child Protection and Safeguarding policy
- Anti-Bullying Policy

Searching and Screening Students

- We can search students for **any item** with consent from the student
- We do not require written formal consent in advance of a student search; it is enough for a teacher to ask the student to turn out their pockets and empty their bag
- Students will be treated courteously and afforded respect and a reasonable level of personal privacy during any search or screening; personal items will only be searched in the presence of the student
- Searching will be carried out by a member of staff who is the same gender as the student. There will also be two additional members of staff present during the search to act as a witness. One will be of the same gender and one of the opposite gender

If there are reasonable grounds to believe that there is risk of serious harm to a person or persons if the search is not carried out immediately and it is not reasonably practicable to summon another member of staff the same gender rule will be dis-applied.

- Parents / guardians will not be informed prior to a search. The school will keep records of searches carried out (CPOMS)
- Parents / guardians will be informed if search or screening uncovers items that will result in school disciplinary action or police involvement.

Searching without consent

If a member of staff has reasonable grounds to suspect that a student is in possession of a banned item, a student can be instructed to undergo a search without consent; parental/guardian permission or pre-notification is not required.

The list of prohibited items:

- Alcohol
- Illegal drugs

Use of Force to Control or Restrain Pupils

All teachers, HLTAs, TAs are allowed to use reasonable force to control or restrain pupils ONLY if:

- Action is necessary in self-defence or imminent risk of injury to self or others.

- A pupil absconds from class or tries to leave school and is in an extremely agitated state.

Use of force is reasonable only if the situation warrants it. The degree of force applied must be proportionate to the incident and its seriousness.

Always attempt to defuse the situation by speaking calmly and try to prevent the incident from escalating. Always call for assistance from colleagues if force is required.

Examples of types of physical intervention:

- Stepping in between pupils.
- Blocking a pupil's path.
- Holding by arm using flat palms.

Physical contact with pupils in other circumstances:

- All staff must be aware that physical contact with pupils is to be avoided as even innocent and well intentioned physical contact may be construed as inappropriate.
- All staff are advised not to be on their own with any individual student. If it is necessary, keep the door open or be visible to colleagues.
