OTHELLO RAP

Iago plus Roderigo equals revenge
Brabantio gonna try to make amends
Lies, Lies, Lies, Lies is what he said
Now Desdemona gonna be cryin' to bed

Desdemona chose her husband ~~XXXXXXXXXX~~ - PLOT TWIST
Othello you sure you didn't do any tricks?
~~where~~ The Moor and his soldiers now be
headin' to war

Desdemona say she wanna tag along
But with her onboard everything goes
wrong.

Iago's petty rant about Emilia
And now women are so inferior ~~XXXXXXXXXX~~
Tick-tock there goes the clock
Finally time to get Cassio ~~XXXXXXXXXX~~ drunk.

Poor Montano didn't know
How Cassio was overthrown
Didn't even know how this all began
Part of Iago's little plan.
