ISSUE 385  
14th January 2022

#### **Sharples Baccalaureate**

After a fantastic first term where just over 150 Year 7 students received at least their bronze award for the Sharples Baccalaureate, a range of new clubs are now on offer until February half term and there is something for everyone! This term, the number of points you need to receive the gold award has been increased, however, there will be bigger and better prizes to be won before the Easter holidays! We encourage Year 7s to attend at least 2 clubs per week and all information about the clubs available can be found at the end of the newsletter.

#### **Science Enrichment - Cyber Security**

In association with the Maths department, there is a careers talk next Tuesday in N1 afterschool from a cyber investigator. The level of the talk is aimed at Year 9 and 10 students, but please feel free to come along if you are in another year group and are particularly interested in pursuing a career in the cyber security sector. Please see the poster at the end of the newsletter and around school for details.

*Mr J. Harding - Science Enrichment Coordinator*

#### **English Department's Work of the Week**

##### **Year 7**

Essa Mohamed has written a great poetry analysis. [Click here for page one](#) and [here for page two](#).

##### **Year 8**

### Newsletter

#### Attendance Information

Reporting an absence: If your child is too ill to attend school, please contact the school before 9.30am with full details of your child's illness/symptoms. The attendance email is the easiest way to contact school as the phone line can get very busy.

The school attendance email is: [attendance@sharplesschool.co.uk](mailto:attendance@sharplesschool.co.uk)

If we are unable to make contact and you do not provide a reason for your child's absence, this absence will be recorded as unauthorised.

#### Attendance Data

Year Groups attendance this week:

Year 7 = 92.28%

Year 8 = 93.70%

Year 9 = 91.23%

# CYBER SECURITY

**TUESDAY 18TH JANUARY**  
**IN N1 AT 3.20PM**

Join the Zoom presentation with Hannah Lawrence who works in Cyber Security as a Cyber Investigator. The main part of her job is to ensure the products designed by her company are kept safe and not hacked by outsiders.
