Battle of the Bands - The Round House

On Tuesday night, two of our bands took part in this year's Battle of the Bands. Five Blind Chickens and Stave & Close (pictured) took to the stage to compete against older, more experienced bands from the local 6th forms and music service. The bands performed extremely well on the night despite their nerves after seeing the standard of the competition. The feedback received for both bands was extremely complimentary of their sets and provided some valuable feedback to help them to improve. It was a thoroughly enjoyable evening of live music supported by many proud members of staff, pupils and parents. Well done to both bands, we look forward to seeing you perform again in the future.

Interact Club Welcomes Rotary Members

It was a pleasure to welcome members of the Rotary to our Interact meeting on Tuesday as pictured above. The guests were introduced to our club members and learned about the events and initiatives we have been involved in throughout the year. They enjoyed a tour of our forest and garden, and had the opportunity to speak with students about the upcoming Environmental Day!

Operation Cyberbeat

Members of the Sharples Orchestra took part in 'Operation Cyberbeat' - a musical workshop and concert provided by the British Army and Bolton Music Service. Pupils had the opportunity to conduct a brass band, compose a fanfare, learn to march and salute as well as learn about a typical day in the life of a musician in the British Army. Pupils couldn't help but to get up and dance as the Army Engagement Ensemble performed popular hits on the Albert Hall stage. Members of the Sharples Orchestra also made it up onto the stage during the concert to take part in the challenges beating a local rival school.

Science Stars Shine at Runshaw College!

On Tuesday, February 3rd, six of our talented young scientists visited Runshaw College for a day of high-energy discovery. Our students got a real taste of college life while diving into advanced challenges across Biology, Chemistry, and Physics.

We are incredibly proud to report that our team didn't just participate—they excelled, winning several challenges throughout the day! It was a fantastic opportunity for them to apply their skills and showcase the scientific talent we have here at school.

Book of Honour - Cross Country and Football

Five students (pictured above) were asked to sign the book of honour this week after their achievements in sport. Stevie featured in the newsletter last week after representing North Wales at football and he continues to represent Blackburn Rovers outside of school. Scarlett R, Joe G, Charlie S and Charley M all qualified to represent the Town when they finished in the top 20 in Bolton last November. At the weekend they then represented Bolton in the GM Championships. All students gave a fantastic account of themselves and the school were thanked for their efforts on the day.

Under 13s Basketball

Our U13 basketball team (pictured) was in action at Smithills this week.

Their first game was against Thornleigh with Sharples being dominant throughout. We eased to victory with an 8-0 win.

Next up was Smithills and this was an extremely tight game that ended in a low scoring draw.

The most difficult contest was against Canon Slade and despite competing throughout Sharples finished with a loss.

It was fantastic to see all the players in the team score a basket - well done!

Dear Parent / Guardian,

As we approach the holy month of Ramadan, we are writing to you with a spirit of community and inclusivity. We understand that for many students, Ramadan is a time of deep spiritual reflection, fasting, and celebration. At Mellors Catering services, (your school lunch provider) we believe that our food provision should adapt to the cultural needs of its community. That is why we are proud to launch this new initiative, to support within the month of Ramadan. Introducing...**Mellors Moonlit Meals.**

Why This is important for your child

Ramadan is a pillar of the Islamic faith, observed by fasting from sunrise to sunset. For observing students, this means missing Mellors standard lunch service.

Fasting requires a nourishing meal (Iftar) to break the fast and replenish energy for the next day. Mellors Moonlit Meals ensures your child receives a healthy, balanced meal to support their concentration, learning, and overall well-being throughout Ramadan.

How It Works

We want to ensure that all children have the fuel they need to learn and thrive.

Mellors Moonlit Meals allows students eligible for Free School Meals (FSM) who are observing Ramadan to use their daily allowance to "purchase" a meal intended for breaking their fast, rather than a lunchtime meal. This ensures your family receives the full value of the FSM benefit, reducing your food costs during this important month.

Not on a Free School Meal? Even if your child is not eligible for FSM, we encourage you to use Mellors Moonlit Meals as a convenient and balanced option!

Your school has carefully selected the following option to best suit our students' needs and facilities:

Mellors Moonlit Meal Bag

The kitchen will prepare a chilled selection of items in a handy 'grab and go' style bag - Ready-to-eat and easy to transport home. Perfect for breaking the fast immediately.

This could include:

- Sandwich
- Fruit Pot OR Homebake
- Bottle of Water

Next Steps: Sign up your Child Today!

To ensure we can accurately plan and prepare these meals for your child, we need to know who will be taking part.

Please complete and return the form available in the canteen or order your lunch in the morning of each day for the Mellors Moonlit Meals scheme.

We look forward to supporting your child and family throughout Ramadan.

Warm regards,
Mellors Catering Services
