Ms Molyneux's End Of Year Letter

Dear Parents and Carers,

As we come to the end of a fantastic 2025-26 academic year, I wanted to take this opportunity to reflect on our successes as a school community this year. It has been a year filled with achievement, opportunity and growth, and I could not be prouder of what our students and staff have accomplished together.

Our school has continued to offer an exceptional range of opportunities beyond the classroom. Students have taken part in sporting competitions, music and drama performances, educational visits, residential experiences, STEM activities, careers events, charity fundraising and leadership opportunities. This week, we have come together to celebrate the successes of our students in the Academic Achievement Assemblies. It has been fantastic to recognise the hard work of students across the breadth of our curriculum. The experiences that we provide help to develop confidence, resilience and teamwork, preparing our young people for successful futures.

I have been particularly proud of the way our students have supported one another. Our culture of inclusion continues to grow stronger, with students showing respect, empathy and kindness towards others. We remain committed to ensuring that every young person feels safe, valued and able to achieve their very best.

Attendance continues to be a real strength of the school. Our students understand the importance of being in school every day, and together with your support we have maintained attendance significantly above the national average. Every day in school matters, and this collective commitment has had a positive impact on learning and achievement.

I would like to thank our exceptional staff, whose dedication, care and professionalism make Sharples School such a special place. Their commitment to our students extends far beyond the classroom, and I know how much they appreciate the encouragement and support they receive from families.

To our parents and carers, thank you for working in partnership with us. Education is most successful when school and home work together, and your support has played an invaluable role in the achievements we celebrate today.

I wish you and your families a restful and enjoyable holiday period. We look forward to welcoming our students back, ready for another year of going above and beyond to provide rich opportunities for their development.

Summer Fayre!

A couple of weeks ago we hosted the Sharples Summer Fayre and welcomed students, families and the local community to join us. There were many exciting stalls including: face painting, slushies, crêpes, an insta booth, tombolas and even a slime station! Outside, guests enjoyed a penalty shoot out against SAC members and a very popular, sponge the gold tie! A great evening for the school and local community. Thank you to everyone that attended and helped make the event a success!

Summer Showcase Delights Audience with an Evening of Outstanding Talent

Our Summer Showcase last night was a spectacular celebration of the incredible talent, creativity and dedication of our students and staff. Performing to a packed audience, the evening was filled with memorable performances that highlighted the vibrant performing arts community here at Sharples.

The show opened in spectacular style with a powerful performance of "Ex-Wives" from the hit musical Six, immediately setting the tone for an evening of energy and entertainment.

Our talented soloists then took centre stage, with outstanding performances from Lillie B, Seb W and James B, each showcasing their impressive musical abilities. We were also treated to a beautiful and expressive piano solo from Mary H, demonstrating remarkable skill and musicianship.

The atmosphere shifted as our energetic Samba Band got the audience moving with a lively and rhythmic performance, before Sharples Voices, our school choir, delivered a stunning medley that captivated everyone with their beautiful harmonies.

Dance was once again a highlight of the evening, with fantastic choreography by Katelyn W, whose routines were performed with confidence, precision and enthusiasm by our talented dancers.

One of the night's biggest talking points was the debut performance from the unforgettable "4 Boys and a Perm", whose charisma and stage presence had the audience smiling throughout. The excitement continued with another epic performance from Stave & Close, who once again proved why they are such crowd favourites.

Our talented Sharples Stars also impressed with three original devised drama performances, showcasing creativity, teamwork and some excellent acting, while exploring a range of engaging themes.

The evening concluded in unforgettable fashion with an incredible finale from our Mega Band. Featuring Mr Elston on lead vocals, Mrs Keegan on keyboards and Mr McCann shredding the bass, the performance brought the entire audience to its feet and provided the perfect ending to a truly memorable night.

A huge thank you goes to all of our performers, staff, backstage crew and everyone who helped make the Summer Showcase such a fantastic success. We are incredibly proud of everyone involved and grateful to our families and community for their continued support.

What an amazing way to celebrate another successful year of performing arts at Sharples!

Sharples Rewards Day!

Five Trips, One Massive Day: Sharples School Celebrates Its Biggest Rewards Day Yet!

On Monday 13th July, the corridors of Sharples School were buzzing with energy and excitement as the school hosted its biggest and most ambitious Rewards Day to date.

Designed to celebrate the excellent behaviour, exceptional attendance, and outstanding progress of students across all year groups, this year's event raised the bar. Instead of keeping the celebrations to one theme park trip, Sharples launched a massive logistics operation, sending hundreds of deserving students out on five simultaneous trips across the region, while transforming the school itself into a hub of sports, films, and games.

The Big Outings: Five Incredible Trips

To reward students for demonstrating the school's core values, Sharples organized five distinct excursions to match every student's idea of a perfect day out: thrill-

seekers headed to the coast to take on some of the UK's tallest and fastest rollercoasters at Blackpool Pleasure Beach; energetic students tackled the famous obstacle courses, climbing walls, and giant inflatables at Ninja Warrior/FunParx, Wigan, and also enjoyed an exclusive behind-the-scenes tour of The Brick Community Stadium (home of Wigan Athletic and Wigan Warriors) as a special bonus; For those looking for some friendly competition, the trip to Hollywood Bowl offered a classic day of strikes, spares, and arcade fun; Fashion lovers and foodies spent the day exploring The Trafford Centre; Our Walking group kept things local, taking in the fresh air and stunning reservoir views during a scenic hike through the beautiful Bolton countryside of Jumbles Country Park.

In School Fun: Sports, Games, and Cinema

For the students who chose to stay at school, the curriculum was completely transformed to offer sports, games and films.

"We wanted this year's Rewards Day to be a true reflection of how incredibly hard our students have worked. By offering five fantastic trips alongside a packed day of on-site activities, we made sure there was something unforgettable for every single student."

— Mrs Smith, Rewards Coordinator

As the buses rolled back into Bolton at the end of the day, one thing was absolutely clear: this was the biggest and best Rewards Day in the school's history, and the bar has been set incredibly high for next year!

Congratulations to all the students at Sharples School who earned their spot at this unforgettable celebration. Your hard work has truly paid off!

Science, Slime, and Sleeping Bags: The First Ever Sharples Science Lock-In!

On the 10th of July, 26 adventurous Year 7 and Year 8 pupils made school history by taking part in the very first Sharples Science Lock-In—an action-packed overnight event filled with discovery, teamwork, and just a little bit of mess!

The evening kicked off with a high-energy scavenger hunt around the school, followed by a much-deserved pizza and drinks feast to fuel up for the main events.

Budding scientists then put their skills to the test across three hands-on STEM challenges:

Ion Testing: Identifying mysterious chemical compounds like real forensic scientists.

Slime Making: Engineering the perfect gooey, stretchy polymers.

Sharples Baccalaurette

It has been fantastic to see the number of Y7 students enjoying the selection of clubs that have been on offer since the start of September. Over 50 clubs have been available including: STEM, textiles, chess, performing arts and jewellery club to name a few! Each time a student attended a club they received a point that contributed towards their Sharples Baccalaurette. Students could gain a bronze, silver or gold award at the end of each term depending on how many points were collected. The number required to gain each award was also increased after every term. Across the whole year, more than 11,500 points were collected with 190 students achieving at least one bronze award since the start of the academic year!

This term, points were increased even further! To gain a bronze award, 15 points were needed, silver required 25 with gold needing 35. A platinum award was also introduced this term for those who collected over 40 points. With the incentives of rewards and prizes, commitment and attendance at clubs has been fantastic this term and this was evident on Thursday afternoon where over 35 students were treated to two free periods full of activities and treats! Straight after break, those who gained their platinum award had the afternoon off, where they had the option of craft making, pool, football, and many other activities. Y7 have shown amazing dedication to clubs since September and we hope the new year group have the same enthusiasm!

Thank you to all the staff who have organised clubs at lunchtimes and after school to ensure Y7 had a fantastic extra-curricular programme!

No Negatives Reward

On the afternoon of Tuesday 14th July, students in Years 7, 8 and 9, who have 95% or above attendance and no negative behaviour points all year, enjoyed a session in our Pavillion Rewards Room. They played games, Nintendo Switch, listened to music and had sweets, treats and pop! A well deserved treat for our wonderful students!

Inter-form Football & Netball Finals Day!

On Thursday the winning forms that qualified from sports day competed in the inter form finals in front of their whole year group. It was a great experience for students to represent their form in front of such a big crowd. Well done to all the winning forms and those that made the finals!

Sports Day 2026

Last Friday was our annual Sports Day, this year was specifically themed around football to celebrate the 2026 World Cup. It was a fantastic day overall with lots of different activities throughout the day including 3v3 Inflatable Football, Interform Netball & Football, Inflatables and Glow in the Dark Dodgeball. It was a challenging day for students given the extreme heat but everyone coped well and made the most out of the day. Special thanks has to go to the staff who braved the weather outside to ensure that the students got the best experience possible. We look forward to an even bigger and better event next year!

Wimbledon 2026!

Last week, a few lucky students had the incredible opportunity to enjoy an unforgettable trip to London. The adventure began with a journey to the capital, where the group stopped for a picnic outside Buckingham Palace, followed by visits to some of London's most iconic landmarks including Big Ben and the London Eye. Students then enjoyed a scenic river cruise along the Thames which offered stunning views of the city before heading to Covent Garden for dinner. The evening ended on a high with a brilliant, front row performance of The Lion King in the West End!

Wednesday was all about sport and excitement as we headed to SW19 to soak up the magic of Wimbledon. After a traditional breakfast of strawberries and cream,

students took their seats on Court No.2 to watch the Doubles Quarter-Finals. The day ended on Henman Hill, where we joined the incredible atmosphere to watch the Gentlemen's Quarter-Final live on the big screen and watch Fery take home the win!

It was a couple of days packed with culture, sport, and unforgettable memories. A brilliant experience from start to finish! See the next page for more pictures.

PE Awards 2026!

On Wednesday afternoon the PE department hosted the sports presentation, inviting over 140 students down to the theatre to celebrate and reward both individual and team achievements in sport from throughout the year. The commitment towards extra-curricular PE has been fantastic and students deserved to be recognised for their participation.

It was a brilliant occasion which saw many of our students collect trophies and medals to celebrate their achievements. Team captains were asked to deliver a short speech summarising the best moments from the season. It was a delight to see them standing at the front of the theatre and speaking so confidently to their peers.

The afternoon concluded with the announcement of our new sports captains which also included two vice captains. A huge congratulations to Mia and Sol who will be our deputy sports captains for next year, and Lorna and Callum who will be leading out as our sports captains in September. [Please click here to see footage from our sports presentation.](#)

FRIDAY 17TH
JULY

FINAL ENGLISH BREAKDOWN

This year has been an incredibly eventful, challenging, and fruitful time.

Across the year groups we've climbed a mountain of words and gained an ocean of knowledge: read and analysed 11 novellas and plays; around 80 poems; written around 40 non-fiction pieces; completed 15 mocks, exams, assessments; conquered 100 knowledge checks.

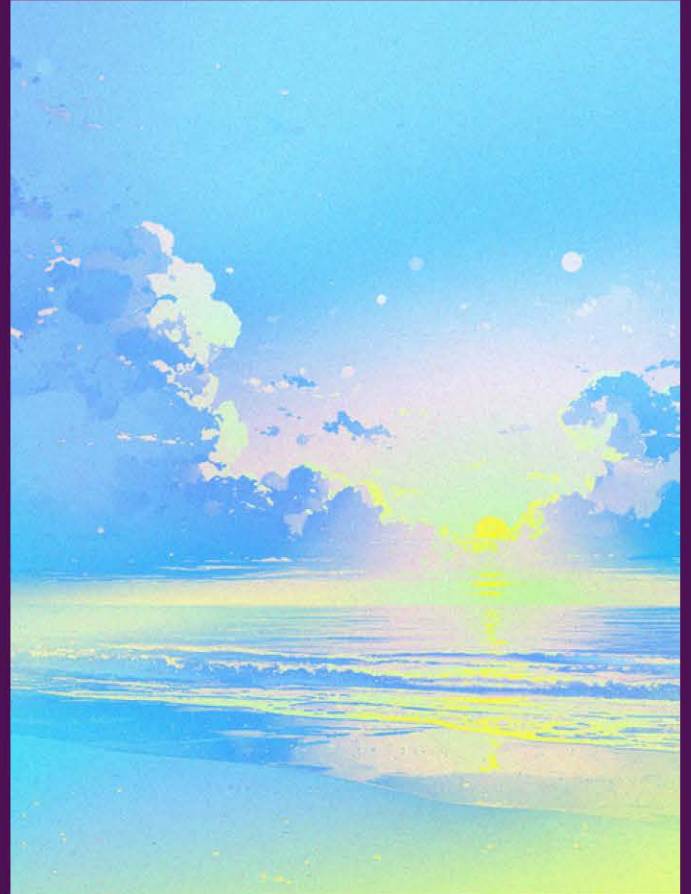

Well done to the students for all your focus and effort over this year. We look forward to our new Year 11s studying 'An Inspector Calls' and our new Y10s Studying 'A Christmas Carol' (and Romeo and Juliet after Christmas) - make sure you get your copies for September - the annotation friendly versions ensure there's plenty of space to write notes.

FINAL POEM OF THE WEEK

Be of this brightness dyed
Whose unrecking fever
Flings gold before it goes
Into voids finally
That have no measure.
Bird-sleep, moonset,
Island after island,
Be of their hush
On this tide that balance
A time, for a time.
Islands are not forever,
Nor this light again,
Tide-set, brief summer,
Be of their secret
That fears no other.

SUMMER W.S. MERWIN

SUMMER HOLIDAYS STORY

We're nearing the end of the academic year with the summer holiday swiftly approaching, so here is a tale about summer.

Summer Suds

The sun baked the close until the tarmac shimmered like a mirage, and Leo's boredom had become a physical weight pressing down on his ten-year-old shoulders. His gaze wandered, desperate for entertainment, and landed on Mr Henderson's prize petunias: a militant, orderly row of purple and pink soldiers standing to attention in their white window boxes. The old man treated them like royalty, watering them at precisely 6.00 AM and speaking to them in low, reverent tones. An idea sparked, wicked, wonderful and gloriously stupid.

Leo summoned his partners in crime: Maya, who could keep a straight face through anything, and quiet Sam, whose giggle was dangerously contagious. Armed with a garden hose, a jumbo bar of pink soap and an unshakeable sense of purpose, they crept across the lawn like commandos on a secret mission. They filled a plastic bucket with water, grated half the soap into foamy submission and began their artistry, crowning each petunia with a towering, shimmering white wig of bubbles. They worked in reverent silence, decorating each bloom with the precision of master hairdressers at a royal court.

When the last flower was adorned, they retreated to the honeysuckle bushes across the street, hearts hammering and barely containing their sniggers. Five minutes later, Mr Henderson emerged for his afternoon inspection, secateurs in hand. He stopped dead. His stern, wrinkled face went through a rapid succession of emotions (confusion, shock, disbelief) and then, impossibly, his moustache twitched. A snort escaped him, then a wheeze, then a full, roaring belly laugh that echoed off the houses.

He didn't shout. He didn't chase them. Instead, he called out, "You little blighters! Get over here: you've just earned yourselves a job." They spent the next afternoon washing his Ford Cortina, soaking each other with the hose, eating ice lollies he bought them and learning that sometimes mischief is the best way to make a grumpy neighbour's day.

SUMMER HOLIDAYS ACTIVITIES

Dear Parent/Carer,

The Summer holidays are just around the corner, and we have a jam-packed programme of activities taking place near you over the coming weeks. We will also be providing food and drink at all our sessions. Come and JOIN US at our local FREE play sessions and GET INVOLVED in a whole host of FUN, ENGAGING activities whilst MAKING NEW FRIENDS along the way! **Please see below of a local area planner for the summer holidays starting from Monday 20th July until Friday 21st August!**

Please note: 4* year olds **must** already be in reception. Children and young people **must** be registered by a parent or guardian (18+) on their first visit. Places are limited at each session and a first come first serve policy is in place. Priority tickets will be given for the next session should we reach capacity on the day. As always, we will be operational come rain or shine so please ensure young people come dressed appropriately.

Got a minute? Why not 'Like' and follow us on **Facebook**, **Twitter**, and **Instagram** to keep up to date with all the LATEST information and other activities around Bolton!
