Y7 Bayeux Tapestry Event

This week Year 7 had the amazing opportunity to experience a live event streamed from the British Museum about the Bayeux Tapestry. The tapestry is in London for only a short time and it was brilliant for our students to hear from Historians and archivists about why the tapestry was made, what it shows and why it matters. Year 7 have all been learning about the Battle of Hastings in their History lessons and it was wonderful to bring together their learning together on the 960th anniversary of the battle!

World Mental Health Day 2026

The BKTTM (Be Kind to My Mind) event, held at Bolton Town Hall event room, was a very enjoyable and memorable experience. The event was well organised and created a friendly and welcoming atmosphere for all the pupils who attended.

The event was shared between several schools, giving pupils the chance to meet others and take part in a variety of fun and engaging activities. Almost every pupil had the opportunity to get involved, which made the event exciting and enjoyable for everyone.

At lunchtime, we listened to a motivational speaker called Adam Corbally. He spoke about his past experiences and shared some important lessons with us. His talk was interesting and inspiring, and he also gave out prizes to pupils who took part in the activities.

In the afternoon, there was a market with lots of different stalls. The best part was that all the stalls were free, and we had the chance to win many different prizes by taking part in the activities. I was lucky enough to win a pair of expensive headphones for getting involved, which was one of the highlights of the day for me! This made the event even more exciting and gave everyone something to look forward to.

Overall, I really enjoyed the World Mental Health Day event. It was a great opportunity to meet pupils from other schools, try new activities and learn more about the importance of mental well-being. I would like to thank everyone who helped organise the event and made it such a fantastic day.

Hummus, Henna & Matcha

Our Year 8 Sharples Aspiring students enjoyed an exciting and interactive cultural experience this Wednesday, exploring the traditions, practices and origins of different religions and cultures from around the world. The event gave students the opportunity to bring their learning to life by getting involved in a range of hands-on activities, discovering how religion and culture influence everyday life.

From tasting delicious hummus and experiencing the art of henna to sampling matcha and taking part in an energetic game of Kabaddi, there was something for everyone to enjoy! Students were able to explore new experiences, learn about different cultural traditions and develop a greater appreciation of the diversity within our world. It was a fantastic opportunity for our aspiring students to learn beyond the classroom, try something new and celebrate the rich variety of beliefs and traditions that make our world so unique.

Youth Travel Ambassadors

The Student Affairs Committee (Y8 - Y9) started their journey working alongside TFGM on how to improve travel conditions and opportunities for our students. We were joined by a guest speaker that will be hosting the in school events/sessions where all 46 students will have the opportunity to take part. We have already conducted research that will be used to tailor our ideas, specifically to what the students want to achieve so it is relevant to Sharples. The winning group are then selected at an in-house competition event to represent Sharples at a 'Dragon's Den' themed event held in Manchester City Centre. The group will have the opportunity to receive £700 to help implement their ideas. We look forward to working alongside Transport for Greater Manchester on improving how our students/staff travel to Sharples.

Oracy October in Maths

Throughout October, the Maths Department has been embracing Oracy October, giving pupils the opportunity to develop their mathematical understanding through discussion, explanation and debate.

Each year group has taken part in a task designed to encourage pupils to share their ideas, justify their reasoning and listen to different points of view. Year 7 tackled “Convince Me!” by exploring factors and multiples, while Year 8 became “Coordinate Codebreakers”, using their knowledge of graphical representations to crack the code. Year 9 took on “Prove It!”, applying their understanding of similarity to explain and justify mathematical relationships. Meanwhile, Year 10 explored “Always, Sometimes, Never”, debating algebraic statements and using examples to support their arguments.

These activities have highlighted that maths is not just about finding the correct answer; it is also about explaining why an answer works. By developing their mathematical vocabulary, confidence and reasoning skills, our pupils are becoming more effective mathematical communicators. Well done to everyone who has taken part!

Y7 Student Affairs Committee Interviews

We are currently in the middle of the Year 7 Student Affairs Committee Interviews this week, so far we have seen 48 students and we have another 44 students left to see.

The standard across the interviews has been excellent with some very impressive oracy skills on display. It is proving to be a very challenging task being able to whittle down successful candidates, which is testament to the students involved in interviews.

We have given an interview to every one of the 92 students that applied, to ensure that everyone has had an equal opportunity to access the Student Affairs Committee.

Details of the Year 8 & Year 9 SAC Interviews have been shared with students involved, and these will take place after half-term.

Y7 secure their place in the next round of the Bolton Cup

Year 7 travelled took 2 teams to Kearsley Academy for a friendly fixture and round 1 of the Bolton Cup. All players played some part in the Cup fixture which finished 8-1 to Sharples with Sharples dominant throughout the entire game.

The cup match wasn't as comfortable and Sharples found themselves a goal behind despite playing some lovely football. Bobby equalised and Oscar put Sharples into the lead but then conceded 2 late goals and went into the interval 3-2 down.

Sharples were much more composed in possession during the second half and Bobby scored to equalise and then assisted for Umar to put us into the lead. Ethan's deflected shot from outside the box gave Sharples a 2 goal cushion and secured our place in the quarter final.

Y8 Football vs Little Lever

Year 8 battled in windy conditions in their game against Little Lever. It was difficult to play much football due to the weather, but the team went into half-time level.

Little Lever made a strong start to the second half and scored 3 goals which will be a learning curve for Y8 on how to ensure they don't happen again.

Overall, it was an encouraging performance with some positives to take into the future games.

There is no game scheduled for next week, so the team can look forward to a well earned rest over half term.

Y8 show great commitment to the team each week ensuring they turn up and always give 100%, keep it up Y8!

Year 9 Boys Fixture

We started the week with a year 9 boys fixture against Little Lever. After a good win last week, our year 9 boys looked to continue their form by adding 3 more points.

We started strong, taking the lead early on from a back post tap in by Huzaifa, Qayyim followed this up with a good finish as we went into half time 2-0 up. The next goal came from Archie as he put the ball in the top corner out of the keepers reach, unfortunately for him, this was in the wrong goal. Qayyim then hit back with 2 more goals to secure the win, his hat trick and MoM.

Well done lads, onto the next one! #UpTheSharples

FRIDAY 16TH OCTOBER

BRING IN YOUR BOOKS MONDAY

This week, Miss H Patel encouraged students and staff to donate books for our Sharples Book Swap. We aim to have a wide variety of books ready for Monday when students can visit the library, browse the books, and take as many to read as their hearts desire.

This is a wonderful opportunity to find a new book you can keep, and maybe find one you've been wanting to read for some time.

YOU STILL HAVE TIME TO BRING IN BOOKS - BRING THEM MONDAY MORNING TO MISS PATEL TO SUPPORT THIS FANTASTIC INITIATIVE!

Year 7 Myths and Legends

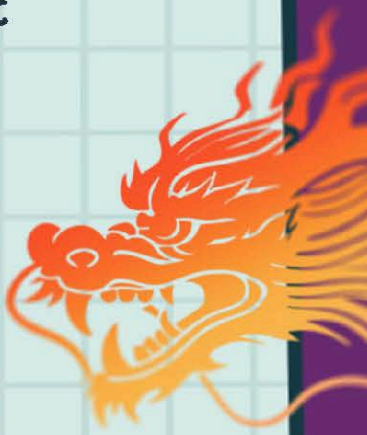

One week left!

Time has flown since the start of Y7 Lit Soc: there's less than a week left to complete the projects. So make sure you stay on track!

Next week, bring your finished projects to Mr Husayn in U15 ready for you to present in the library at lunchtime on Thursday 22nd October.

Remember

There'll be up to 100 reward points up for grabs and prizes with treats for the best. There'll even be a rewards trip at the end of the year for the winners!

POEM OF THE WEEK

Still I Rise

By Maya Angelou

You may write me down in history
With your bitter, twisted lies,
You may trod me in the very dirt
But still, like dust, I'll rise.

Does my sassiness upset you?
Why are you beset with gloom?
'Cause I walk like I've got oil wells
Pumping in my living room.

Just like moons and like suns,
With the certainty of tides,
Just like hopes springing high,
Still I'll rise.

Did you want to see me broken?
Bowed head and lowered eyes?
Shoulders falling down like teardrops,
Weakened by my soulful cries?

Does my haughtiness offend you?
Don't you take it awful hard
'Cause I laugh like I've got gold mines
Diggin' in my own backyard.
You may shoot me with your words,
You may cut me with your eyes,
You may kill me with your hatefulness,
But still, like air, I'll rise.
Leaving behind nights of terror and fear
I rise
Into a daybreak that's wondrously clear
I rise
Bringing the gifts that my ancestors gave,
I am the dream and the hope of the slave.
I rise

Maya Angelou was a famous American poet, author, and civil rights activist who overcame a difficult childhood to inspire millions with her life and art. She is best remembered for her groundbreaking memoir *I Know Why the Caged Bird Sings* and her powerful, resilient poetry like "Still I Rise".

RECIPE OF THE WEEK

BUDGET RECIPE INSPIRATION

Jamie Oliver's Microwave Chilli Con Carne

A energy-efficient, store-cupboard staple meal designed to save time and reduce cooking costs without compromising on flavor.

PREP TIME	COOK TIME	SERVINGS	COST / PORTION
10 Mins	15 Mins	4 People	~£1.10

Ingredients

- **250g–300g** Lean beef mince (or plant-based mince)
- **1 tin (400g)** Kidney beans, drained & rinsed
- **1 tin (400g)** Chopped tomatoes
- **1 medium** Yellow onion, finely chopped
- **2 cloves** Garlic, finely minced
- **1 whole** Red or green pepper, diced
- **1 tsp** Ground cumin
- **1 tsp** Smoked paprika
- **½ tsp** Chili powder or chili flakes
- **1 tbsp** Tomato purée
- **To taste** Salt & freshly cracked black pepper

Budget Saver Tip

Using a microwave uses up to 70% less energy than a traditional oven or hob. You can also swap half the meat for an extra tin of black beans or lentils to cut costs even further!

Method

1. **Sauté the Veg Base:** In a large microwave-safe bowl or glass casserole dish, combine the chopped onion, garlic, diced bell pepper, spices, and a small drop of oil. Cover with a microwave-safe plate or vented lid. Microwave on HIGH (800W) for **3–4 minutes** until softened.
2. **Brown the Meat:** Add the minced beef to the warm onion mixture. Stir well with a fork to break up any lumps. Re-cover and microwave on HIGH for an additional **3 minutes**.
3. **Simmer the Chilli:** Stir in the chopped tomatoes, drained kidney beans, tomato purée, and season generously with salt and pepper. Cover again and microwave on MEDIUM-HIGH (around 700W) for **8 to 10 minutes**, giving it a thorough stir halfway through.
4. **Rest & Serve:** Remove carefully from the microwave (dish will be hot!) and let it rest covered for 2 minutes to allow the flavors to settle. Serve over jacket potatoes, fluffy rice, or with warm flatbreads.

PUZZLE MASTER

Create Your Own Puzzle!

Create your own Sudoku, logic puzzle, number puzzle or mathematical riddle for someone else to solve. Include the solution.

EXAMPLE

Here is an example of a Sudoku puzzle (which you can use as inspiration):

5	3			7				
6					1	9	5	
	9	8					6	
8				6				3
4			8		3			1
7					2			6
	6					2	8	
	4	1	9				5	
		8				7	9	

This is just an example!

Solution

Here is one possible solution to the puzzle:

5	3	4	6	7	8	9	1	2
6	7	2	1	9	5	3	4	8
1	9	8	3	4	2	5	6	7
8	5	9	7	6	1	4	2	3
4	2	6	8	5	3	7	9	1
7	1	3	9	2	4	8	5	6
9	6	1	5	3	7	2	8	4
2	8	7	4	1	9	6	3	5
3	4	5	2	8	6	1	7	9

Good luck with your puzzle!
